Good day for you
I have problem with understanding situation with my Debt card VISA Classic
Some payment terminals in Russia recognize my card with difference
For example transaction on 06 feb 17 time 12 30 autorisation code 532843 recognized my card as Classic and print letter C on paper after payment
on 18 feb 17 time 17 39 autorisation code 532877 recognized my card as Classic and print letter C on paper after payment
on 18 feb 17 time 17 41 autorisation code 532878 recognized my card as Classic and print letter C on paper after payment
on 12 may 17 time 16 05 autorisation code 533173 recognized my card as Electron and print letter E on paper after payment
on 14 sent 17 time 14 09 autorisation code 533297 recognized my card last numbers as 4782i01 on paper after payment
Can you say what type of card I have right now
And how many cards on my name you have in your payment system and in what banks
if you can try to use lawyers from VISA in Russia Moscow to contact me about it
